Maharaja Agrasen Institute of Technology Department of Management organized investor awareness program on November 15, 2019 for MBA – III semester(Finance Specialization) students on Commodity Exchange and Trading in association with NCDEX Ltd.

NCDEX is headquartered in Mumbai and facilitates trading in futures contracts in commodities to its members across India. National Commodity & Derivatives Exchange Limited (NCDEX) is a professionally managed on-line multi commodity exchange regulated by the Securities & Exchange Board of India (SEBI). Currently the Exchange facilitates trading in 20 commodity (agricultural) futures contracts.

The program was conducted in two parts -

The first part was taken by an official from SEBI, who discussed the overall Financial markets and Investment options in India. He also touched upon RISK and how it should be kept in view while making Investments. He emphasized the role of SEBI in Investor protection. SEBI has a

dedicated online complaints redressal system called SCORES. He interacted with students and gave tips to them for successful investment in Equity markets.

The Second Part was the section on Derivative markets on Commodities taken by Ms Brinda Sengupta and Mr Ram Gopal Yadav from NCDEX, Kolkata. This session went for about 3 hours. The following items were discussed by the speaker:

1) Introduction about commodity markets in INDIA
2) Functioning of commodity exchanges and its legalities.
3) Understanding benefits of online trading in commodity
4) Presentation on Do's & Dont's of trading
5) Dabba trading
6) Question answer round

The session ended with a vote of thanks for the speakers. The refreshments were distributed to students at the end of the Session. Overall, it was a very fruitful engagement with students full of practical knowledge about SEBI and Derivatives market.
