Industrial visit provides students a much relevant practical perspective of the actual work place and the larger world of business. Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment.

Part 2

Abstract

As a part of the course curriculum of MBA, a one -day Industrial visit was organised on 11th October, 2023 for 51 MBA first year students of section C to 1st Floor ,Aggarwal Corporate Tower, Pot no 23, district center,Rajendra Place, New Delhi. The Bombay Stock Exchange (BSE) is one of the oldest and most prominent stock exchanges in India. This report aims to provide an overview of the BSE, its history, functions, and its significance in the Indian financial landscape.

The BSE was established in 1875 as the Native Share and Stock Brokers' Association, making it the first stock exchange in Asia. Over the years, it has grown and evolved into a leading platform for trading equities, derivatives, debt instruments, and commodity.

An introductory session was conducted by Mr. Kunal kishore(Manager) of SEBI having over decade experience. He shared the historical knowledge of SEBI, and the main aim of SEBI to secure and protect the investor. Session was regarding to create awareness among youth in how to invest the money with proper knowledge and practical implementation.

Mr.Yatharth,Mr. Jasdeep Singh and Ms Veena further elaborated the role of regulators in investment.Got to know about the regulators- NSDL,CDSL.

An insight into the primary market and secondary market.Understanding of the stock market.Different types of trading:- Derivative Trading, Intraday Trading. Understanding the different types of investment methods:Mutual funds, FD etc. Live stock market analysis was also done by Mr.Yatharth.IPO process was explained in detailed manner and the whole session was quite informative.Lastly the do's and don't to be keep in mind while investing.

Part 3

Conclusion

The industrial visit to BSE was an insight into the real working environment, systems, and interact with highly trained and experienced personnel. Students get to learn a lot of things that will help them in their development and also for the future.
