Motivational Objective of the Activity:

The objective of this Visit is to provide practical exposure to students in the field of finance. The visit will give insights about the capital market and will assist them in becoming well-rounded professionals in the field of finance. Students will know various career opportunities in the field of securities markets and Investments

Form B

Part 1

Aim of the event:

The aim of the Visit was to acquaint students with Capital market. Students will understand the basics of Capital markets, the terminology used in the markets, various investment avenues, and its working from Indian markets scenarios. Students will also get some fundamental and Technical analysis tips.

Part 2

Abstract :

The students with faculty reached the office at 10.30 am. The students were given a warm welcome address by Mr. Sanjiv Das (Faculty/Trainer, BSE Institute Ltd.) and Ms. Anshu Raheja (Deputy Manager, BSE Institute Ltd.) in which they made aware of actually what is Capital market, under the Investor Awareness Program. At BSE, they shared the knowledge and insights into the capital markets industry, which was garnered over the past 141 years

hey discussed how BSE enables investors to trade in equities, currencies, debt instruments, derivatives, and mutual funds. They also provided information about other important capital market trading services such as risk management, clearing, settlement, and investor education.

They elaborated the meaning of stock exchange that how it helps companies raise capital or money by issuing equity shares to be sold to investors and the companies invest those funds back into their business, and investors, ideally, earn a profit from their investment in those companies.

The session also provided detailed knowledge about investment. Topics relating to Investment avenues and Principles of safe investment also discussed under this session. Along with it the experts shared some tips to choose right shares for investment. They also introduced the students to various certification courses by the centre for enhancing career options.

We extend our deep gratitude to both of them. The visit proved to be fruitful under the guidance of Dr. Neeru Gupta and Dr. Anju Bharti. Also, we extend our heartfelt thanks to Prof. (Dr.) Amit Gupta, HoD, MBA, MAIT and Ms. Anshu Raheja (Deputy Manager, BSE Institute Ltd.) for arranging such a wonderful visit.

Part 3

Conclusion

This Visit enriched students with the knowledge of capital market and various career opportunities. Students learned some trading skills and got tips for choosing security for investment. The students got insights about various job profiles available in the securities market. It also fleshes light on different certification that can help students in capacity building and getting the job. Overall it was a great learning for students.
