The course started on 10<sup>th</sup> April at 05:00 p.m. with a welcome speech by Dr. Ritu Gupta. The event started with first day presentation by **Dr. Vishnuvajhala Aditya Srinivas**, Chief Operating Officer & Chief Economist at Bombay Stock Exchange Brokers Forum.

All the necessary details about investment during volatile market especially after covid era were explained and different types of investment alternative were explained. He also included that the process of investment in large capital stocks.

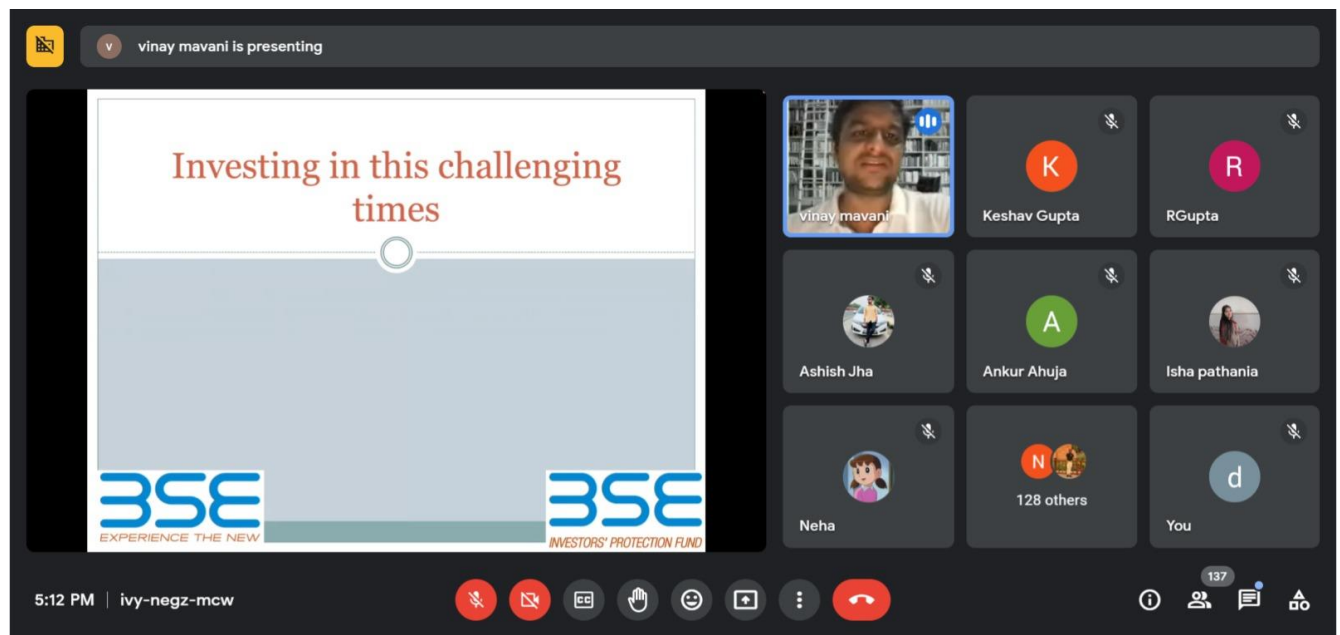

On the second day of course Portfolio Management and how different types of risk are involved with different securities was covered. It helps the students to understand about risk exposure of different investment avenues.

On third day all the key points to be considered for the financial planning by an individual to get their hard earned money better returns to beat the inflation in future were discussed. In the fourth session the importance of assets allocation as per the different age groups was covered. And last session covered that how you can check to fundamental analysis of stocks through live terminal.

A extremely communicating query session was held at the end of each session.. The Query session was the main highpoint of the experience. Almost all the questions were addressed by the presenter.

The session was concluded by Vote of thanks by Dr. Ritu Gupta. More than 140 students attended the session. The extent of involvement during the course is testimony to how excited everyone was to learn about investment and portfolio management. Overall, it was a great learning and valued experience for all the students.
